MAYOR'S COMMUNICATIONS: None.

PUBLIC HEARINGS:

On the petition by Alderman Richard Gately concerning the structure or structures located in the City of Woburn, County of Middlesex, Commonwealth of Massachusetts known and numbered as 320 Main Street aka 286 Main Street, Woburn, Massachusetts, commonly referred to as the Woburn Armory, for the purposes of determining whether said structure or structures are a public nuisance, a nuisance to the neighborhood, a dilapidated or dangerous building or other structure, as said terms are used in Massachusetts General Laws Ch. 139, Sec. 1, and if so, enter an order adjudging it to be a nuisance to the neighborhood, or dangerous, and prescribing its disposition, alteration or regulation. PUBLIC HEARING OPENED. A copy of a communication dated August 26, 2009 to Alderman Gately was received from Mark LaLumiere, Building Inspector, Woburn Department of Inspection Services as follows:

Re: Woburn Armory – 320 Main St.

During a site visit on 8/14/09 running water was observed coming from under the retaining wall located along Myrtle St. The water had apparently been flowing for some time as a large 6" deep puddle had accumulated along the southern side (Myrtle St) of the property. It was reported to be a water line leak; which was subsequently repaired by the City's Water Department. The retaining wall does appear to be listing over at the top. At that time, it was also determined that efforts had been made to prevent unauthorized entry into the building by physically securing entrance points. The structure does have numerous broken windows, which appear to have been caused by rocks being thrown at the structure. The majority of the broken windows have been patched from the interior with a few windows not secure at this time. A security screen located at the front of the

building on the ground floor has either been removed or fallen off. The exterior brick parapet is in deplorable condition, with large sections of brick falling from the structure. This damage appears to have been caused by neglect and water (freeze/thaw). In two locations, enough of the parapet has fallen away that it has left large holes at the roof line, thus allowing the elements to further erode the existing structure. The overall condition of the brick façade at the rear of the structure is poor at best and is suffering from neglect. I have not been inside the structure.

On 8/26/09, another site visit was conducted, during this visit Mr. Coakley was on site preparing a list of material needed to secure the additional broken windows. We also walked the property, checking to make sure the structure was secure. Mr. Coakley was making arrangements to remove two barrels, an outdated auction sign and to reinstall the security screen. The front lawn of the property appeared to have been mowed recently and Mr. Coakley assured me that his landscapers would be at the property shortly to weedwack the overgrowth around the rear and sides.

On the petition by Alderman Scott Galvin concerning the structure or structures located in the City of Woburn, County of Middlesex, Commonwealth of Massachusetts known and numbered as 17-19 Franklin Street, Woburn, Massachusetts for the purposes of determining whether said structure or structures are a public nuisance, a nuisance to the neighborhood, a dilapidated or dangerous building or other structure, as said terms are used in Massachusetts General Laws Ch. 139, Sec. 1, and if so, enter an order adjudging it to be a nuisance to the neighborhood, or dangerous, and prescribing its disposition, alteration or regulation. PUBLIC HEARING OPENED.

On the petition by Quincy Woburn LLC, 66 Long Wharf, Boston, Massachusetts 02110 for a special permit pursuant to Sections 7.3 and 9 of the 1985 Woburn Zoning Ordinances, as amended, to allow for the alteration of the existing alignment of a portion of Normac Road and the reconstruction thereof to allow for additional flood storage and drainage improvements within the Floodway and Flood Plain District at 31 Olympia Avenue, 15, 20 and 23 Normac Road. PUBLIC HEARING OPENED. A communication dated August 27, 2009 was received from Attorney Joseph R. Tarby, Murtha Cullina LLP, 600 Unicorn Park Drive, Woburn, Massachusetts 01801 as follows:

NEW PETITIONS:

A communication dated August 26, 2009 was received from Joseph R. Tarby, Esquire, Murtha Cullina LLP, 600 Unicorn Park Drive, Woburn, Massachusetts 01801 as follows:

Re: Minor Modification to Landwoner's Decision and Notice of Special permit dated December 27, 2007 (the "Decision") Granted to Allied Building Products Corp., 41 Atlantic Avenue, Woburn, Massachusetts

Dear Mr. Campbell:

Please be advised that I represent Allied Buildign Products Corp. ("Allied") of 41 Atlantic Avenue, Woburn, Massachusetts (the "Property"). As you know, on December 27, 2007, the City Council issued a Decision to Allied for the use of the Property as a wholesale establishment, warehouse and distribution center, outside storage of new or used building materials and equipment and the accessory parking of commercial motor vehicles. Enclosed please find ten (10) copies of the Decision and the original approved site plan described in Condition 1.

In addition, I have enclosed ten (10) copies of a revised site plan showing the following minor revisions:

1. The relocation of the proposed storage area from the left rear of the building to the rear of the building.
2. The installation of a sliding gate and eight (8) foot fence as shown on the plan.

The minor modifications to the plan result in the commercial vehicles being parked overnight to be located behind the fence and gate rather than in the parking area along Atlantic Avenue. In addition, all of the outsider material storage will be further screened from Atlantic Avenue by relocating to the rear of the property and with the installation of the sliding gate.

I respectfully request approval by the City Council of the above improvements as a minor modification to the Special Permit by substituting the Plan entitled: "41 Atlantic Avenue, Woburn, MA" prepared by Allen & Major Associates, Inc., 100 Commerce Way, Woburn, MA dated September 25, 2007, as revised October 18, 2007 as revised August 25, 2009 in place of the plan entitled: "41 Atlantic Avenue, Woburn, MA" prepared by Allen & Major Associates, Inc., 100 Commerce Way, Woburn MA dated September 25, 2007, as revised October 18, 2007 as the plan of record. I would appreciate it if you would place this matter on the agenda of the City Council meeting scheduled for September 1, 2009. If you have any questions, please feel free to contact me. Thank you.

Very truly yours, s/Joseph R. Tarby, III

A communication dated August 25, 2009 was received from Salvatore Lupoli, President/CEO, Sal's Pizza, 354 Merrimack Street, Lawrence, Massachusetts 01842 as follows:

Re: 299 Washington Street (former Au Bon Pain)

To: President Charles E. Doherty & Members – Woburn City Council

Sal's Pizza, headquartered in Lawrence, Ma, will be assuming Au Bon Pain's space on 299 Washington Street (Cummings Property) in September 2009. A special permit was granted to Au Bon Pain and no other fast food restaurant for this particular location. Sal's Pizza operates a very similar model as Au Bon Pain and we plan to use the existing space with minimal cosmetic changes. In addition, we are also very excited about acquiring the 28 existing staff employed by Au Bon Pain and providing them continued employment.

Sal's Pizza requests a minor modification to paragraph 2 of the prior Au Bon Pain special permit with the understanding that our operation is very much similar to that of Au Bon Pain. This will allow Sal's Pizza to open for business in a short period of time with the existing staff. Without this minor modification, we would jeopardize the job retention of the 28 staff members mentioned above. The new paragraph 2 shall read "That the Special Permit shall be for Sal's Pizza only and no other fast food restaurant."

Thank you in advance for your consideration.

Regards, s/Salvatore Lupoli, President/CEO, Sal's Pizza

Petition by Robert Khouzami, 40 Overlook Road, Stoughton, Massachusetts for a special permit pursuant to Section 5.1.44 of the 1985 Woburn Zoning Ordinances, as amended, for auto repair in accordance with the previously approved special permit issued for the property on November 13, 2009 at 317 Montvale Avenue.

Petition by Cummings Properties, LLC, as managing agent for Woburn Properties, LLP, 200 West Cummings Park, Woburn, Massachusetts 01801 for a special permit pursuant to Sections 5.1.30b and 5.1.41 of the 1985 Woburn Zoning Ordinances, as amended, to amend a special permit granted on May 19, 2009 to construct an elevated pedestrian walkway from the second floor of subject building located at 8 Cabot Road to the second floor of existing adjacent building at 34 Commerce Way.

Petition by Cummings Properties, LLC, as managing agent for Sudbury Research Center, LLC, 200 West Cummings Park, Woburn, Massachusetts 01801 for a special permit pursuant to Section 7.3 of the 1985 Woburn Zoning Ordinances, as amended, to extend and alter a pre-existing non-conforming structure to construct an elevated pedestrian walkway from the second floor of the subject building located at 34 Commerce Way to the second floor of the adjacent building at 8 Cabot Road.
