

**CHARTER
OF THE
CITY OF WOBURN
COMMONWEALTH OF MASSACHUSETTS**

With amendments through September 27, 2021

PREFACE

HISTORICAL NOTE

Woburn was incorporated as a City by virtue of special legislation (Chapter 374 of the Acts of 1888), accepted by the voters on June 12, 1888, and effective January 1, 1889. This Act, or first “Charter” of the City, established the positions of Mayor, City Council, and School Committee, and, of some note, provided for a two-branch or “bi-cameral” City Council, consisting of a Board of Councilor and a Common Council. Also of note, the first Charter provided a significant degree of power and control in the legislative branch, including the power to appoint the heads of most of the major departments. Within a few years, the feeling grew among many that the first Charter had significant flaws, with a cumbersome and sometimes inefficient process for the workings of local government. Out of those feelings grew a movement to streamline city government and to correct the perceived flaws occasioned by the provisions of the first Charter. The result was the Act herein set forth “To Revise the Charter of the City of Woburn”. This Act (Chapter 172 of the Acts of 1897), coupled with various amendments affecting particular sections thereof, remains in effect today.

In 1966, City Solicitor Joseph Gorrasi and Compiler Carl B. Everberg “undertook, according to an authorization given to him by a former administration, to compile the existing ordinances not repealed together with all ordinances enacted by the municipal government of the City of Woburn, subsequently to the 1934 revision.” The product of those efforts was a publication containing not only the ordinances then in effect, but also a complete recitation of the Charter of the City of Woburn. In their preface to the work was the following statement:

“The Revised Charter of the City of Woburn, enacted by the Legislature in 1897 (Chapter 172 of the Acts of that year) has been set forth verbatim as an introduction to the ordinances, but with the amendments throughout the following years, showing the many changes in the Charter, set forth in appropriate places. Furthermore, the Charter has been annotated throughout with brief digests of cases decided by the Supreme Judicial Court on questions arising out of the Charter.”

The 1966 compilation was the last comprehensive publication of the Charter of the City of Woburn and has served as the base document for this compilation. Special Acts of the Legislature adopted since 1966 have been incorporated in this document. Whenever possible, references were added in the comments to general legislation that impacts sections of the Charter.

The intent of this document is to, in the broadest manner possible, circulate among the residents of Woburn the fundamental authority for the operation of the city’s municipal government. To that end, this is also the first version of the Charter converted to an electronic format that will be posted to the website of the City of Woburn. This resource, not available at the time of the 1966 compilation, will in a larger manner make this important document available to residents, businesses, government officials and students of municipal theory and practice.

Sec. 15. Majority Vote of all Members Necessary for Passage of Certain Ordinances, etc.; Readings.

In case any Ordinance, Order, Resolution or Vote involves the appropriation or expenditure of money to an amount which may exceed two hundred dollars, the laying of an assessment, or the granting to a person or corporation of any right in, over or under any street or other public ground of said City, the votes of a majority of all the members of the City Council shall be necessary for its passage. Every such Ordinance, Order, Resolution or Vote shall be read twice, with an interval of at least seven days between the two readings, before being finally passed, and the vote upon its final passage shall be taken by roll call: *provided, however*, that upon and after the written recommendation of the Mayor the City Council may pass such Ordinance, Order, Resolution or Vote at a special meeting called by the Mayor for the purpose of considering the same, and held not less than forty-eight hours after the meeting at which such Ordinance, Order, Resolution or Vote was given its first reading, a two-thirds affirmative vote, on a roll call of the entire City Council, being necessary in such cases to its passage.

Sec. 16. Members of City Council Not to Take Part in Employment of Labor, Making of Contracts, etc.; Aid to Disabled Soldiers and Sailors.

But nothing in this section contained shall affect the powers or duties of the board in relation to City aid to disabled soldiers and sailors and to the families of those killed in the Civil War.

Sec. 17. Member of City Council Not to Hold Other City Office, etc.

No member of the City Council shall during the term for which he is elected hold any other office in or under the City Government, have the expenditures of any money appropriated by the City Council, or act as counsel in any matter before the City Council or any committee thereof; and no person shall be eligible for appointment to any municipal office established by the City Council during any municipal year within which person is a counselor, until the expiration of the succeeding municipal year.

Sec. 18. May Establish Ordinances and Affix Penalties; Complaints for Breach; When and by Whom Made.

The City Council shall have power within said City to make and establish Ordinances and

By-Laws and to affix thereto penalties as herein and by General Law provided, without the sanction of any Court or Justice thereof: --- *provided, however*, that all Laws, Ordinances and Regulations not inconsistent herewith, now in force in the City of Woburn, shall remain in force until they shall expire by their own limitation, or shall be revised or repealed by the City Council. Complaint for the breach of any Ordinance or By-Law may be made by the Mayor or by any head of a department or by any resident of the City.

Comment: The Woburn charter supersedes any statutory requirement to obtain the approval of the attorney general of any ordinance and to publish (as is the case in some municipalities). Forbes v Woburn, 306 Mass. 67 (1940). Callahan v Woburn, 306 Mass. 265 (1940). The charter (especially Secs. 18, 20, 21, 27, 32, 33) vests, in the City Council, independent power over many matters in the administration of the city's affairs. Forbes v Kane, 316 Mass. 207 (1944).

With respect to traffic ordinances or regulations, the above was amended by Chapter 103 of the Acts of 2005 as follows:

Chapter 103 of the Acts of 2005

An Act Establishing a Traffic Commission in the City of Woburn.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. There shall be in the city of Woburn, a traffic commission to consist of 9 commissioners, 1 of whom shall be the chief of police or his designee, 1 of whom shall be the superintendent of public works or his designee, 1 of whom shall be the fire chief or his designee, 1 of whom shall be the city engineer or his designee, 1 of whom shall be the planning director or his designee, 2 of whom shall be Councilors selected by the city council president, 1 of whom shall be a resident member to be appointed by the city council, and 1 of whom shall be a member of the business community to be appointed by the city council. The city clerk or his designee shall serve as administrative clerk of the traffic commission. The members of the commission shall serve without compensation.

SECTION 2. All expenses incurred for the purposes of this act shall be paid by the city. All statutes and ordinances applicable generally to the departments of the city shall apply to the commission.

SECTION 3. When the traffic commission is first constituted, the term of the resident member shall be for 1 year; the term of the business member shall be 2 years. Any subsequent appointments shall be for a term of 2 years, except that an appointment to fill a vacancy shall be for the unexpired term of the member who is being replaced. The 2 Councilors shall be selected by the city council president as soon after organization of the city council as possible.

SECTION 4. The traffic commission shall have exclusive authority, except as otherwise provided in this act, to adopt, amend, alter and repeal rules and regulations by a majority vote, not inconsistent with the General Laws or this act, relative to its own proceedings, vehicular street traffic, pedestrian traffic, and parking in the city and to the movement, stopping or standing of vehicles on, and their exclusion from, all or any streets, ways, highways, roads or parkways, under control of the city, including rules and regulations designating any way or part thereof under the control of the city as a through way under section 9 of chapter 89 of the General Laws, and may prescribe penalties, not exceeding the maximum established by the General Laws, for the violation of any rule or regulation adopted under this act. No such rule or regulation, except such special rules and regulations as are declared by vote of the commission to be urgently required by considerations of public safety or convenience or such as are of a temporary nature and are to be effective for a period of not more than 30 days, shall take effect until published for 2 successive weeks in 1 or more newspapers of general circulation in the city. The commission shall have power to erect, make and maintain or cause to be erected, made or maintained, traffic and parking signs, signals, markings and other devices for the control of such traffic, pedestrian movement, and parking in the city and for informing and warning the public as to rules and regulations adopted under this act, subject, however to sections 2 of chapter 85 and to sections 8 and 9 of chapter 89 of the General Laws. Nothing in this act shall authorize the commission to adopt any rule or regulation that would exclude the Massachusetts Bay Transportation Authority from any way or party thereof in which it has a route or modify or limit any power or authority of the department of conservation and recreation, the state department of public works, or the state department of telecommunications and energy or modify or limit any power now vested in the mayor, city council or heads of departments with reference to the issuance of licenses or permits for the opening, using or occupying of streets and sidewalks.

SECTION 5. All existing ordinances and regulations relating to the control of vehicular traffic and parking shall remain in full force and effect until superseded by rules and regulations adopted by the traffic commission under this act, and the adoption of these rules and regulations by the commission shall not affect any act done or right accrued or penalty incurred or any suit, prosecution or proceeding pending, at the time of said adoption.

SECTION 6. All rules and regulations of the traffic commission will be established by the traffic commission, subject to approval, change, or amendment by the city council.

Approved September 29, 2005.

Sect. 19. Power to Lay Out Streets, etc.; Assessment of Damage and Betterments, Appeals.

The City Council shall, with the approval of the Mayor, have exclusive authority and power to order the laying out, locating anew or discontinuing of all streets and ways and all highways with in the limits of said City, and to assess damages or betterments sustained by any person thereby, and further, except as is herein otherwise provided, to act in all matters relating to such laying out, locating anew or discontinuing. Any person aggrieved by the assessment of his damages, or by other action of the City Council under this section, shall have all the rights and privileges now allowed by Law in such cases in appeals from decisions of the Selectmen of towns.

Sect. 20. Salaries, Establishment; Change.

The City Council shall establish by Ordinance the salaries or remuneration of the offices created by this Act in case the same are not fixed herein, and of such other offices as may hereafter be created; and no Ordinance of the City Council changing any such salary or remuneration shall take effect until the municipal year succeeding that in which the Ordinance is passed. Such salaries shall be in full for all services rendered in the City by the incumbents of the respective offices in the discharge of the duties thereof.

Comment: The above section was amended by Ch. 182 of the Special Acts of 1917, which was further amended by Ch. 158 of the Acts of 1933 as follows:

Chapter 158 of the Acts of 1933

AN ACT AUTHORIZING THE IMMEDIATE REDUCTION OF SALARIES OR REMUNERATION ATTACHED TO CERTAIN OFFICES IN THE CITY OF WOBURN

Be it enacted, etc., as follows:

Sect. 1. Section twenty of Chapter one hundred and seventy-two of the Acts of eighteen hundred and ninety-seven, as amended by Chapter one hundred and eighty-two of the Special Acts of nineteen hundred and seventeen, is hereby further amended by striking out the word "changing" and inserting in place thereof the word: --- "increasing," --- so as to read as follows: --- *Section 20.* The City Council shall establish by Ordinance the salaries or remuneration of the offices created by this Act, in case the same are not fixed herein, and of such other offices as may hereafter be created; and no Ordinance of the City Council increasing any such salaries or remuneration shall receive its final passage by the City Council after the last day of September, and no such Ordinance shall take effect until the municipal year succeeding that in which the Ordinance is passed. Every such proposed Ordinance shall be published once in full in at least one newspaper of the City, and in any additional manner that may be provided by Ordinance, at least ten days before its final passage. Such salaries shall be in full

for all services rendered the City by the incumbents of the respective offices in the discharge of the duties thereof.

Sect. 2. This Act shall take effect upon its acceptance by the City Council of said City, with the approval of the Mayor.

Approved May 3, 1933

Comment: The following Sec. 33A of Chap. 44 of the General Laws has precedence, nevertheless, over the previous sections of the charter bearing on salaries of officers and employees of the city.

Chapter 44, Sec. 33A

Section 33A. The annual budget shall include sums sufficient to pay the salaries of officers and employees fixed by law or by ordinance. Notwithstanding any contrary provision of any city charter, no ordinance providing for an increase in the salaries or wages of municipal officers or employees shall be enacted except by a two thirds vote of the city council, nor unless it is to be operative for more than three months during the calendar year in which it is passed. No new position shall be created or increase in rate made by ordinance, vote or appointment during the financial year subsequent to the submission of the annual budget unless provision therefor has been made by means of a supplemental appropriation. No ordinance, vote or appointment creating a new position in any year in which a municipal election is held shall be valid and effective unless said ordinance, vote or appointment is operative for more than three months during said municipal election year.

Comment: See Doherty v City of Woburn, 345 Mass. 523 (1963). Held, the action of the City Council of Woburn increasing wages and salaries of city employees in off-election year by two-thirds vote, valid.

Sect. 21. Appropriation; Bonds; Publication of Annual Account

The City Council shall appropriate annually on or before the first day of March the amount necessary to meet the expenditures of the City for the current municipal year. It shall, by Ordinance or otherwise, secure a just and proper accountability, by requiring bonds with sufficient penalties and sureties from all persons entrusted with the receipt, custody or disbursement of money. It shall on or before the first day of April in each year cause to be published for the use of the inhabitants a particular account of the receipts and expenditures of said City and a schedule of all City Property and of the City Debt.

Comment: The above section is nevertheless affected and superseded by G.L. Ch. 44, §32, which established a comprehensive budget process, see Appendix A.

TITLE IV - EXECUTIVE DEPARTMENT

Sect. 22. Mayor; Executive Power; Term of Office.

The executive powers of the City shall be vested solely in the Mayor, and may be exercised by him either personally or through the several officers and boards of the City in their department, under his general supervision and control. In case of a vacancy in any office to which appointment may be made by the Mayor he may personally perform the duties thereof, but he shall not be entitled to receive any salary or pay attached thereof. The Mayor shall hold office for the municipal year beginning with the first Monday in January following his election, and until his successor is elected and qualified.

Sect. 23. Appointment and Removal of Municipal Officers by Mayor.

The Mayor shall have sole power of appointment to all the municipal officers established by or under this Act, unless herein otherwise provided; and he may remove from office by written order any officer so appointed hereunder, for any cause which he shall in his official discretion deem sufficient, which cause he shall assign in his order of removal. Such office shall become and be vacant upon the filing with the City Clerk of such order of removal and the service of a copy thereof upon the officer so removed, either personally or by leaving the same at his last or usual place of residence. The City Clerk shall keep such order of removal on file, where it shall be open to public inspection. He may suspend any officer, and may suspend any work or payment, whether under contract or otherwise, for a period not exceeding ten days, except as is herein otherwise provided.

Comment: The mayor's powers of appointment to municipal offices are those **not** vested in the city council. See Sec. 32 for power vested in the mayor in the matter of appointments. With the abolition of the Board of Public Works (Ch. 372, Acts of 1914) the City Council was vested with power to appoint an Inspector of Wires and Engineers and other assistants in this office, but the mayor was given the power to appoint a Superintendent of Public Works. See said Ch. 372 Acts of 1914 following Sec. 35. See, also, Forbes v Kane, 316 Mass, 207, 212 (1944). Civil Service controls, however, where applicable.

Sect. 24. Salary of Mayor.

The salary of the Mayor shall be one thousand dollars per annum, and such additional sum as the City Council may establish by Ordinance passed by vote of two-thirds of all its member, such Ordinance not to take effect, however, until the year succeeding that in which it is passed.

Comment: The above section was amended by Ch. 163 of the Acts of 1946, increasing the salary of the mayor to three thousand dollars. Notwithstanding the foregoing section, Mass. G.L. Ch. 39, §6A authorizes changes in compensation of the Mayor by adopting a general ordinance.

Sect. 25. Certain Ordinances, etc., to be Presented to the Mayor for Approval; Veto.

Every Ordinance, Order or Resolution of the City Council, except such as relates to the election of the officers to be chosen by the Board under the provisions of this Act or of Law, or such as relates to the declaration of a vacancy in the office of Mayor, and every vote of the Board other than votes incidental to the transaction of business under parliamentary rules, shall be presented to the Mayor, as hereinbefore provided. If he approves thereof he shall signify his approval by signing the same, but if not he shall return the same with his objection to the City Council, who shall enter the objection of the Mayor at length upon their records and proceed to reconsider said Ordinance, Order, Resolution or Vote, and if after such reconsideration two-thirds of the City Council, notwithstanding such objections, vote to pass it, it shall be in force. In all cases the vote shall be by yeas and nays, and it shall be taken at the meeting at which the Mayor's message is received, or at the meeting next following. If such Ordinance, Order, Resolution or Vote shall not be returned within ten days after it shall have been so presented to the Mayor the same shall have the same effect as if approved. He may except from his approval of any such Ordinance, Order, Resolution or Vote, any portion involving a distinct item of expenditure; and in such case instead of returning the original he shall transmit a copy of such portion not approved, which portion shall be reconsidered in the manner and with the effect herein provided. The veto power of the Mayor shall not extend to elections.

Comment: It is to be noted that the Commonwealth, in the Woburn charter, furnishes a veto power to the mayor which is modified by the power of the council to pass an ordinance by a two-thirds vote over a mayor's veto. This is a provision quite common to the charters of some other cities in the Commonwealth.

See discussion in Forbes v Woburn, 306 Mass. 67, 70 (1940). See also Scalley v. Board of Registrars of Voters, 358 Mass. 815 (1971).

Sect. 26. President of City Council to be Acting Mayor in Case of Disability of Mayor, Etc.; Declaration of Vacancy

Whenever by reason of sickness or absence from the city or other cause the Mayor shall be disabled from performing the duties of his office, and whenever there shall be a vacancy in the office of Mayor, the President of the City Council shall become Acting Mayor. He shall, as Acting Mayor, in case of such disability and during its continuance, of such vacancy, have all the rights and powers of Mayor, except that he shall not when so acting have the power of removal, unless thereto in any instance authorized by a vote of the City Council; nor any power of appointment unless such disability of the Mayor or such vacancy in the office of Mayor has continued for a period of thirty days; nor the power to approve or disapprove any Ordinance, Order, Resolution or Vote, until within twenty-four hours of the time when it would take effect without the approval of the Mayor. In case such disability of the Mayor continues for a period exceeding sixty days

the City Council may at any time after the expiration of that period declare a vacancy to exist in the office of Mayor.

Sect. 27. Estimates of Expenses.

The Mayor shall, prior to the first day of February in each year, cause to be made to him by the heads of departments and by all other officers and boards having authority to expend money, detailed estimates of the amounts deemed by them to be necessary for their respective departments for the financial year, which shall begin on the first day of January, and he shall, not later than the fifteenth day of February, transmit such estimates to the City Council, recommending such appropriation for each department or purpose as he shall deem necessary therefore.

Comment: The foregoing section is, nevertheless, now subject to G.L. Ch 44, Sec. 31A. See Appendix for full text. See also M.G.L. Chapter 59, Section 21C "Limitations on total taxes assessed; determination by voters" (commonly referred to as Proposition 2 ½).

TITLE V - SCHOOL DEPARTMENT

Sect. 28. School Committee Election, Terms, etc.

The management and control of the public schools of said City shall be vested in a School Committee, consisting of nine persons chosen by the city at large, three to be chosen at each municipal election and to hold office for the term of three years from the first Monday in January then next ensuing. The present School Committee shall continue to hold office until the expiration of the term for which they were elected. The School Committee shall serve without pay, and shall exercise the powers and discharge the duties imposed by Law upon School Committees.

Comment: Various amendments (Ch. 194 of the Acts of 1928 (see supra Section 5 of Charter), Ch. 589 of the Acts of 1952 (see Appendix), Ch. 128 of the Acts of 1953 (see Appendix), Ch. 636 of the Acts of 1954 (see Appendix)), having sought to establish the structure of the school committee on some permanent basis, are not set forth because of the most recent one (Ch. 174 of the Acts of 1960), establishing the number and terms of the office of the members of the school committee. It is set forth following:

Chapter 174 of the Acts of 1960

Sect. 1. Chapter 172 of the acts of 1897 is hereby amended by striking out section 28, as most recently amended by chapter 128 of the acts of 1953, and inserting in place thereof the following section: ---Section 28. The management and control of the public schools of said city of Woburn shall be vested in a school committee, consisting of seven members, to be elected at large by and from qualified voters of said city.

Sect. 2. At the biennial municipal election of the city of Woburn in the year nineteen hundred and sixty-three, of the candidates for school committee the two candidates receiving the highest number of votes shall be elected for terms of four years, and the five candidates receiving the next highest number of votes shall be elected for terms of two years, beginning with the first Monday in January next following their election.

Sect. 3. At each biennial election in said City after the municipal election in nineteen hundred and sixty-three, the two candidates receiving the highest number of votes shall be elected for terms of four years, and the three candidates receiving the next highest number of votes shall be elected for terms of two years, beginning with the first Monday of January next following their election.

Sect. 4. This act shall be submitted to the registered voters of the city of Woburn at the state election of nineteen hundred and sixty in the form of the following question, which shall be placed upon the official ballot to be used at said election: ---“Shall an act passed by the General Court in the year nineteen hundred and sixty entitled ‘An Act relative to the number, the term of office and the election at large of members of the school committee of the city of Woburn’, be accepted?” If a majority of the votes cast on said question is in the affirmative, this act shall take effect on January first, nineteen hundred and sixty-three but not otherwise.

Approved by voters in 1960 election

Comment: The school committee has exclusive control over the affairs of the public schools. The power to contract with teachers and to fix their salaries is vested in the school committee as it is with reference to that of the superintendent of schools. Callahan v. Woburn, 306 Mass. 265, 268 (1940). The fiscal autonomy of the school committee has been limited by budget authority provided to the mayor and the city Council. See G.L. Chapter 44, §32 in the Appendix. Vacancies in school committee are filled by vote of the remaining members of the school committee for the remainder of the term, see Ch. 636 of the Acts of 1954 set forth in the Appendix.

Sect. 29. Organization of School Committee; Mayor May Preside; Quorum.

The School Committee shall meet on the first Monday in January in each year, and shall at such meeting, or as soon thereafter as may be, choose by ballot a Chairman from among its members, and the votes of majority of all the members of the School Committee shall be required in order to elect. The Mayor may be present at all sessions of the School Committee, and when present he may participate in the discussions and may preside but shall have no right to vote. The Committee shall be the judge of the election and qualification of its members and shall determine the rules of its proceedings. A majority of all the members shall constitute a quorum for the transaction of business, but a smaller number may adjourn from time to time.

Comment: The right of the mayor to preside over meetings, if present, cannot be superseded by any rule adopted by the school committee conferring that right upon any other person. Except for this one occasion

the chairman of the committee may always preside. Kane v School Committee of Woburn, 317 Mass. 436 (1944). This section was also affected by G.L. Ch. 150E, §1 which provides the mayor the right to vote on collective bargaining agreements.

Sect 30. Election of Superintendent of Schools; Secretary; Appointment of Janitors; Terms and Compensation.

The School Committee shall elect a Superintendent of Schools, but not from among its own members, who shall also be its secretary, and said committee may appoint janitors of all school buildings and such subordinate officers and assistants as it may deem necessary for the proper discharge of its duties and the conduct of its business, shall define their terms of service and fix their compensation, and may remove and discharge them at pleasure.

Sect 31. School Committee to be Judge of Necessity of Additional Accommodations, etc.

The School Committee shall be the original judges of the expediency and necessity of having additional or improved accommodations for any public school within the limits of the City, and whenever in their opinion a schoolhouse is required they shall send a communication to the City Council, stating the locality and the nature of the further provisions for schools which are needed. The City Council shall have the right to purchase lands for school purposes, but no lot of land shall be purchased by the City Council until the same has been approved by a vote of the School Committee, and no contract shall be made for the erection of a school building or for the furnishing thereof until the plans for said new building or furnishings shall have been so approved. The care, alteration and repair of all school buildings shall be under the control of the School Committee.

Comment: This section was further amended by Chapter 116 of the Acts of 2000. It is set forth following:

Chapter 116 of the Acts of 2000

Section 1. Section 31 of chapter 172 of the acts of 1897 is hereby amended by adding the following sentence: --No public school in the city of Woburn shall be closed unless the school committee votes to build a new school on the same lot, or unless the closing of such public school is approved by a two-thirds vote of the school committee and by a two-thirds vote of the city council.

Section 2. This act shall take effect upon its passage.

Approved June 29, 2000

TITLE VI - ADMINISTRATIVE OFFICERS

Sect. 32. Administrative Officers; Appointment, Duties, etc.; Oath of Office; Vacancies.

There shall be the following administrative officers, who shall be appointed by the Mayor, except as is herein otherwise provided, and they shall perform the duties imposed upon them respectively by Law and by this Act, and such further duties not inconsistent with the nature of their respective offices as the City Council may prescribe: ---

First. A Board of Public Works consisting of the Mayor and four other persons.

Comment: The board of public works was abolished by Ch. 372 of the Acts of 1914 (See said amendment at the end of Section 35.)

Second. A City Solicitor

Third. A City Physician

Comment: This provision has been amended by Ch. 87 of the Special Acts of 1918. See the full text at the end of this section.

Eighth. A Chief Engineer and an Assistant Engineer of the Fire Department.

Comment: The method of appointing the Chief Engineer was changed and the position of Assistant Engineer was abolished by Ch. 171 of the Special Acts of 1915. See full text at the end of this section.

Ninth. Three Sinking Fund Commissioners.

Tenth. A Board of five Cemetery Commissioners, with the powers and duties prescribed by Chapter one hundred and nine of the Acts of the year eighteen hundred and eighty-four and Acts in amendment thereof, which Act shall be deemed to apply to the City of Woburn.

Comment: The board of cemetery commissioners is a municipal department. Thus, it cannot incur indebtedness, generally, unless it secures an appropriation therefore by the mayor and city council. If it obtains the appropriation, it can enter into contracts pertaining to the care and management of the land maintained for cemetery purposes. The members are accountable to the mayor for the faithful discharge of their duties. Commissioners of Woburn Cemetery v Treasurer of Woburn, 319 Mass, 86 (1946). Proceeds received by the city of Woburn from the sale of lots are not to be deposited in a general bank account in which all city revenues are deposited, but must be kept in a separate account. Ibid.

The Woburn Public Library shall continue a body corporate within said City, under the provisions of Chapter two hundred and seventy-three of the Acts of the year eighteen hundred and eighty-five and Acts in amendment thereof, which Act shall be deemed to apply to the City of Woburn. The members of the Board of Assessors, Overseers of the Poor, and Sinking Fund commissioners, shall hold office for the term of three years each and until their several successors are chosen and qualified; the members of said Boards and the Board of Health and the Cemetery Commissioners and the Trustees of the Public Library as constituted when this Act goes into effect, shall continue to hold office until the expiration of their respective terms of service; and for the further continuance of said boards there shall be appointed under this Act, in the month of January annually, to serve for the term of three years from the first Monday in February then next ensuing, one Principal Assessor and one Overseer of the Poor, in place of the incumbents whose terms then expire; and in the month of February of each year one Sinking Fund Commissioner for a like term, beginning on the first Monday in March then next ensuing, in place of the incumbent whose term then expires. And in the month of February annually there shall be appointed by the Mayor, subject to confirmation by the City Council, one person as a member of the Board of Commissioners for the care and management of the Woburn Cemetery and Public Burial Ground, who shall hold his office for the term of five years, beginning on the first Monday in April then next ensuing, and until his successor is chosen and qualified, also one person as Trustee of said Public Library who shall hold his office for the term of three years, beginning on the first Monday in April then next ensuing, and until his successor is chosen and qualified. Any vacancy occurring at any time in the Corporation and Board of Trustees of the Woburn Public Library shall be filled by appointment by the Mayor, subject to the confirmation by the City Council. The other administrative officers and members of boards mentioned in this section, unless otherwise provided by this Act or by Law, shall be appointed annually in the month of January, and shall hold office for the term of one year from the first Monday in February next following. All of said officers, including members of said Boards, shall be sworn to the faithful discharge of their duties and shall hold office until their respective successors are appointed and qualified, unless sooner removed. Vacancies for unexpired terms may be filled in the manner provided for filling the office for a full term. The City Council may by Ordinance establish additional administrative offices, and define the duties of the incumbents thereof, and such officers shall be subject to the provisions of this Act. The

Fire Department shall consist of a Chief Engineer and an assistant engineer, whose terms of service shall be two years each, one of which shall expire each year; and of such other officers and members as the City Council by Ordinance shall from time to time prescribe. The incumbent of the offices of Chief Engineer and assistant engineer at the time this Act goes into effect shall continue in office during the remainder of the terms for which they were elected, and the City Council shall annually in March elect a Chief Engineer or assistant engineer, as may be required, for the term beginning on the first Monday of April next ensuing; and any vacancy in the office of Chief Engineer or assistant engineer may be filled from time to time by the City Council for the unexpired term.

Comment: See Civil Service provisions G.L., Ch. 31 as affecting tenure in any particular office.

Chapter 87, Special Acts of 1918

Note: By Ch. 263 of the Acts of 1946, accepted by the voters on November 8, 1949, the charter was amended by providing for the initiative and referendum as follows:

Sects. 42A-42H. Initiative and Referendum

Section 42A. A petition conforming to the requirements hereinafter provided and requesting the City Council to pass a measure, except a revenue loan order, or requesting the School Committee to pass a measure, therein set forth or designated, shall be termed an initiative petition, and shall be acted upon as hereinafter provided. In this and the seven following sections, “measure” shall mean an ordinance, resolution, order or vote passed by a City Council, or a resolution, order or vote passed by a School Committee, as the case may be.

Section 42B. Signatures to initiative petitions need not be all on one paper. All such papers pertaining to any one measure shall be fastened together and shall be filed in the office of the City Clerk as one instrument, with the endorsement thereon of the names and addresses of three persons designated as filing the same. With each signature to the petition shall be stated the place of residence of the signer, giving the street and number, if any.

Within five days after the filing of said petition the registrars of voters shall ascertain by what number of registered voters the petition is signed, and what percentage that number is of the total number of registered voters, and shall attach thereto their certificate showing the result of such examination.

The City Clerk shall forthwith transmit the said certificate with the said petition to the City Council or to the School Committee according as the petition is addressed, and at the same time shall send a copy of said certificate to one or more of the persons designated on the petition as filing the same.

Section 42C. If any initiative petition is signed by the registered voters equal in number to at least twenty per cent of the whole number of registered voters, the City Council or the School Committee, as the case may be, shall, within twenty days after the date of the certificate of the registrars to that effect: ---

1. Pass said measure without alteration, subject to the referendum vote provided by sections forty-two A to forty-two H, inclusive, or
2. The City Council shall call a special election to be held on a Tuesday fixed by it not less than thirty nor more than forty-five days after the date of the certificate hereinbefore mentioned, and shall submit the proposed measure without alteration to a vote of the registered voters of the City at that election; provided, that if any City election is otherwise to occur within ninety days after the date of said certificate, the City Council may, at its discretion, omit calling the special election and submit the proposed measure to the voters at such approaching election.

Section 42D. If an initiative petition is signed by registered voters equal in number to at least eight per cent but less than twenty per cent of the total number of registered voters, and said measure be not passed without alteration within twenty days by the City Council or the School Committee, as provided in section forty-two C, such proposed measure, without alteration, shall be submitted by the City Council to a vote of the registered voters of the City at the next regular municipal election. A measure proposed under this section or section forty-two C shall become effective if it shall be approved by registered voters of the City equal in number to one third of the whole number thereof and also by a majority of the voters voting on such measure, but not otherwise.

Section 42E. The ballots used when voting upon a proposed measure under section forty-two C or section forty-two D, or a measure or part thereof protested against under section forty-two F, shall state the nature of the measure in terms sufficient to show the substance thereof.

Section 42F. If, within twenty days after the final passage of any measure, except a revenue loan order, by the City Council or by the School Committee, a petition signed by

registered voters of the City, equal in number to a least twelve per cent of the total number of registered voters, is presented to the City Council or to the School Committee as the case may be, protesting against such measure, or any part thereof, taking effect, the same shall thereupon and thereby be suspended from taking effect; and the City Council or the School Committee, as the case may be, shall immediately reconsider such measure or part thereof; and if such measure or part thereof is not entirely rescinded, the City Council shall submit the same, by the method hereinbefore provided, to a vote of the registered voters of the City, either at the next regular City election, or at a special election which may, in its discretion, be called for the purpose, and such measure or part thereof shall forthwith become null and void unless a majority of the registered voters voting on the same at such election vote in favor thereof.

The petition described in this section shall be termed a referendum petition and section forty-two B shall apply to the procedure in respect thereto, except that the words “measure or part thereof protested against” shall for this purpose be understood to replace “measure” in said section wherever it may occur, and “referendum” shall be understood to replace the word “initiative” in said section wherever it may occur.

Section 42G. The City Council may, of its own motion, and shall, upon request of the School Committee if a measure originates with that Committee and pertains to the affairs under its administration, submit to a vote of the registered voters of the City for adoption or rejection at a general or special City Election any proposed measure, or a proposition for the repeal or amendment of any measure, in the same manner and with the same force and effect as are provided in said sections forty-two A to forty-two H, inclusive, for submission on petition.

Section 42H. If two or more proposed measures passed at the same election contain conflicting provisions only the one receiving the greater number of affirmative votes shall take effect.

Sect. 43. Authority Given by Special Acts Not Affected.

Nothing contained therein shall be construed to affect the authority, power, privileges, rights and obligations created and given by any Special Act of the General Court, and now vested in and exercised by the City of Woburn, unless specially mentioned in this Act.

Sect. 44. Repeal.

All Acts and parts of Acts inconsistent with this Act are hereby repealed: *provided, however,* that the repeal of the said Acts shall not affect any act done or any right accruing or accrued or established, or any suit or proceeding had or commenced in any civil case before the time when such repeal shall take effect; and that no offence committed and no penalty or forfeiture incurred under the Acts hereby repealed and

Sect. 45. Acts Repealed Not Revived.

No Act which has been heretofore repealed shall be revived by the repeal of the Acts mentioned in the preceding section.

Sect. 46. Submission of Questions Acceptance.

This Act shall be submitted to the qualified voters of the City of Woburn for acceptance at a special election to be held within sixty days from its passage; and the City Clerk shall, not less than one week before said election transmit by mail or otherwise to every registered voter in said City a copy of this Act. Section 7. If at the expiration of the time for filing statements of candidates to be voted for at any preliminary election not more than twice as many such statements have been

If in consequence it shall appear that no names are to be printed upon the official ballot to be used at any preliminary election in any ward or wards of the city, no preliminary election shall be held in such ward or wards.

Section 8. Preliminary elections in said city shall be subject to all general laws relative to elections, so far as the same are applicable thereto, except as otherwise expressly provided in this act.

G.L. Chapter 44: Section 31. Liabilities in excess of appropriations forbidden; exceptions

Section 31. No department financed by municipal revenue, or in whole or in part by taxation, of any city or town, except Boston, shall incur a liability in excess of the appropriation made for the use of such department, each item recommended by the mayor and voted by the council in cities, and each item voted by the town meeting in towns, being considered as a separate appropriation, except in cases of major disaster, including, but not limited to, flood, drought, fire, hurricane, earthquake, storm or other catastrophe, whether natural or otherwise, which poses an immediate threat to the health or safety of persons or property, and then only by a vote in a city of two-thirds of the members of the city council, and in a town by a majority vote of all the selectmen. Payments of liabilities incurred under authority of this section may be made, with the written approval of the director, from any available funds in the treasury, and the amounts of such liabilities incurred shall be reported by the auditor or accountant or other officer having similar duties, or by the treasurer if there be no such officer, to the assessors who shall include the amounts so reported in the aggregate appropriations assessed in the determination of the next subsequent annual tax rate, unless the city or town has appropriated amounts specified to be for such liabilities; provided, that, if proceedings are brought in accordance with provisions of section fifty-three of chapter forty, no payments shall be made and no amounts shall be certified to the assessors until the termination of such proceedings. Payments of final judgments and awards or orders of payment approved by the industrial accident board rendered after the fixing of the tax rate for the current fiscal year may, with the approval of the director of accounts if the amount of the judgment or award is over ten thousand dollars, be made from any available funds in the treasury, and the payments so made shall be reported by the auditor or accountant or other officer having similar duties, or by the treasurer if there be no such officer, to the assessors, who shall include the amount so reported in the aggregate appropriations assessed in the determination of the next subsequent annual tax rate, unless the city or town has otherwise made provision therefor.

The provisions of this section, so far as apt, shall apply to districts, and the prudential committee, if any, otherwise the commissioners, shall act in place of the members of the city council or selectmen.

G.L. Chapter 44: Section 31A. Report of estimated expenses; period covered; contents

Section 31A. Every officer of any city except Boston having charge of, or jurisdiction over, any office, department or undertaking, requesting an appropriation shall, between November first and December first of each year, furnish the mayor and the city auditor, or officer having similar duties, on forms provided by the city auditor or officer having similar duties, and approved by the bureau of accounts in the department of corporations and taxation, detailed estimates of the full amounts deemed necessary for the next fiscal year for the ordinary maintenance of the office, department or undertaking under his charge or jurisdiction, and for expenditures other than the ordinary maintenance, with the amounts, if any, expended for similar purposes during the preceding fiscal year and during the first four months of the then current fiscal year, and an estimate of the amounts required to be expended for such purposes during the last eight months of the then current fiscal year, giving explanatory statements of any differences between the amount of any estimate for the next fiscal year and the amount expended or estimated to be required as aforesaid.

The information hereby required to be furnished shall set forth the number of permanent or temporary employees, or both, requested in each classification or rating in the next fiscal year and the number of permanent or temporary employees, or both, employed on October thirty-first of the then fiscal year, or the nearest week-end thereto, except laborers and persons performing the duties of laborers, with the annual, monthly, weekly or hourly compensation of such employees, and shall state whether such compensation is fixed by ordinance or otherwise and whether or not such employees are subject to chapter thirty-one.

The foregoing shall not prevent any city, upon recommendation of the mayor, from so setting forth the number of permanent or temporary laborers and persons performing the duties of laborers, or both such permanent and temporary laborers and persons, with the annual, monthly, weekly or hourly compensation of such employees.

The city auditor, or officer having similar duties, shall forthwith at the close of each calendar year furnish the mayor with a written report of the money received from estimated receipts applicable to the payment of expenditures of the first six months of the then current fiscal year, with an estimate of such receipts for the last six months of such year and for the next fiscal year.

G.L. Chapter 44: Section 32. Submission to city council; procedure for approval, rejection or alteration

Section 32. Within one hundred and seventy days after the annual organization of the city government in any city other than Boston, the mayor shall submit to the city council the

annual budget which shall be a statement of the amounts recommended by him for proposed expenditures of the city for the next fiscal year. The annual budget shall be classified and designated so as to show separately with respect to each officer, department or undertaking for which an appropriation is recommended:—

(1) Ordinary maintenance, which shall also include debt and interest charges matured and maturing during the next fiscal year, and shall be subdivided as follows:—

- (a) Salaries and wages of officers, officials and employees other than laborers or persons performing the duties of laborers; and
- (b) Ordinary maintenance not included under (a); and

(2) Proposed expenditures for other than ordinary maintenance, including additional equipment the estimated cost of which exceeds one thousand dollars.

The foregoing shall not prevent any city, upon recommendation of the mayor and with the approval of the council, from adopting additional classifications and designations.

The city council may by majority vote make appropriations for the purposes recommended and may reduce or reject any amount recommended in the annual budget. It shall not increase any amount in or the total of the annual budget nor add thereto any amount for a purpose not included therein except on recommendation of the mayor, and except as provided in section thirty-three; provided, however, that in the case of the school budget or in the case of a regional school district assessment, the city council, on the recommendation of the school committee or on recommendation of a regional district school committee, may by a two-thirds vote increase the total amount appropriated for the support of the schools or for the regional district schools over that requested by the mayor; and provided, further, that no such increase shall be voted if it would render the total annual budget in excess of the property tax limitations set forth in section twenty-one C of chapter fifty-nine. Except as otherwise permitted by law, all amounts appropriated by the city council, as provided in this section, shall be for the purposes specified. In setting up an appropriation order or orders based on the annual budget, the council shall use, so far as possible, the same classifications required for the annual budget. If the council fails to take action with respect to any amount recommended in the annual budget, either by approving, reducing or rejecting the same, within forty-five days after the receipt of the budget, such amount shall without any action by the council become a part of the appropriations for the year, and be available for the purposes specified.

If, upon the expiration of one hundred and seventy days after the annual organization of the city government, the mayor shall not have submitted to the city council the annual budget for said year, the city council shall, upon its own initiative, prepare such annual budget by June thirtieth of such year, and such budget preparation shall be, where applicable, subject to the provisions governing the annual budget of the mayor.

Within fifteen days after such preparation of the annual budget, the city council shall proceed to act by voting thereon and all amounts so voted shall thereupon be valid appropriations for the purposes stated therein to the same extent as though based upon a mayor's annual budget, but subject, however, to such requirements, if any, as may be imposed by law.

If the council fails to take action with respect to any amount recommended in the budget, either by approving, reducing or rejecting the same, within fifteen days after such preparation, such amount shall, without further action by the council, become a part of the appropriations for the year, and be available for the purposes specified.

Notwithstanding any provisions of this section to the contrary, the mayor may submit to the city council a continuing appropriation budget for said city on a month by month basis for a period not to exceed three months if said city has not approved an operating budget for the fiscal year because of circumstances beyond its control.

Nothing in this section shall prevent the city council, acting upon the written recommendation of the mayor, from voting appropriations, not in excess of the amount so recommended, either prior or subsequent to the passage of the annual budget.

The provisions of this section shall apply, in any city adopting the Plan E form of government under chapter forty-three, only to the extent provided by section one hundred and four of said chapter.

Neither the annual budget nor appropriation orders based thereon shall be in such detail as to fix specific salaries of employees under the direction of boards elected by the people, other than the city council.

The city council may, and upon written request of at least ten registered voters shall, give notice of a public hearing to be held on the annual budget, prior to final action thereon, but not less than seven days after publication of such notice, in a newspaper having general circulation in the city. At the time and place so advertised, or at any time or place to which such public hearing may from time to time be adjourned, the city council shall hold a public hearing on the annual budget as submitted by the mayor, at which all interested persons shall be given an opportunity to be heard for or against the proposed expenditures or any item thereof.
