

APPLIANCE, FREON, CRT & ELECTRONICS RECYCLING COLLECTION

Benefitting NuPath Inc

SATURDAY, June 17, 2023, from 9 AM to 1 PM

The Medeiros Crew Recycling group are once again conducting appliance, Freon, CRT, and electronics recycling drives. The next event is on **Saturday, June 17, 2023, from 9 to 1** at the Spence Farm property located at **41 Wyman Street in Woburn benefitting NuPath Incorporated.**

This is an excellent opportunity to recycle these items at a minimal cost, while supporting a local group or organization each month. There is a significant cost savings compared to the higher cost associated with curbside appliance recycling programs.

In Woburn, the cost for curbside pick-up of many of these items has increased once again in 2023. Simply bring your items to us in your vehicle and we will get them out of your vehicle.

The drop-off recycling drives at Spence Farm are open to residents and businesses from all communities, not just Woburn.

With your support, over the years these collections have raised over \$220,000 for local non-profit organizations, as well as several thousand dollars in donations to the Woburn Memorial High School Scholarship Fund. So, clean out those basements, attics, garages, and warehouses and bring your items to the next drive on Saturday, June 17, 2023,

If you cannot make this collection, please note the next collection will be on Saturday, September 16, 2023, here at Spence Farm.

Price Comparison Chart

Item	Medeiros Crew Drop-off Price	Waste Management Curbside Pick-Up Price
Wood/Projection/Console TV	\$40.00	\$60.00
